

# Plant of the Month

Chosen to inspire with year round colour,  
texture and scent for your garden.

## February

### Choisya 'Snow Flurries'

(Mexican Orange Blossom)

*A recent introduction, 'Snow Flurries' has a compact habit and produces an abundance of large white flushed pink flowers during May.*

*Plant in any well-drained soil in sun or partial shade incorporating plenty of organic matter.*

*Height 3 - 4 ft.*
